

CITY OF HAYWARD

AGENDA REPORT

AGENDA DATE 06/24/03

AGENDA ITEM 9

WORK SESSION ITEM

TO: Mayor and City Council

FROM: Director of Community and Economic Development

SUBJECT: Maintenance District No. 2 – Eden Shores Buffer Zone and Pre-Treatment Pond - Approve Formation of the District, the Engineer's Report and Order Levying of Assessments and the Setting of Collection Rates for FY 2003-04

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution pertaining to Maintenance District No. 2.

DISCUSSION:

Maintenance District No. 2 ("MD 2") is being formed to fund the operation and maintenance of storm water facilities and the water buffer bordering the residential portion of Eden Shores. The District encompasses the three residential tracts in Eden Shores, totaling 525 homes. This item was continued from the City Council Meeting of June 10, 2003.

The storm water facility, a pretreatment pond, is located adjacent to the pumping station in the business park. The Alameda County Flood Control District (ACFCD), based on their experience with prior years expenditures and similar storm water pretreatment ponds, provided the operating budget amounts in the Engineer's Report. Standard Pacific anticipates completion of the pond in September 2003, with the ACFCD assuming responsibility next year.

The water buffer consists of the landscaping, recirculating pumps and filters, maintenance roads, pedestrian bridge, and anti-predator and perimeter fencing. Per the conditions of approval for the tentative map, Standard Pacific is required to fund and operate the water buffer channel for "not less than 24 months, nor more than 36 months after completion of buffer construction and demonstrated satisfactory performance, as approved by the Director of Public Works." The developer anticipates completion of these improvements in September 2003, with M.D.2 potentially taking over responsibility in 2005 or 2006. At that time, maintenance and operation costs will then be funded and paid for through M.D. 2.

On April 15, 2003, the City Council adopted a resolution of intention authorizing formation of M.D. 2 and levying of an annual assessment to fund maintenance activities. Ballots were subsequently sent out to the two property owners, Standard Pacific and Acacia Credit, to determine if they supported the formation of M.D. 2 and the levying of assessments. If approved, the assessment rate for M.D. 2 will be \$655.00 and the annual collection rate for FY 2003-04 will be \$155.00. The assessment rate will be indexed to annual increases in the Bay Area Consumer Price Index.

At the conclusion of the City Council public hearing for this item, ballots will be tabulated to determine whether the two property owners support or oppose the formation of Maintenance District No. 2 and levy of assessments. At this time, the developers are the only property owners. If they vote to oppose formation of M.D.2, they will continue to be responsible for all maintenance and operation costs for the next fiscal year and another election can be held next year. If they support formation of M.D.2, but oppose the levy of assessments, they will still be responsible to pay all operation and maintenance costs for the next year.

SECTION I

INTRODUCTION
ENGINEER'S REPORT

CITY OF HAYWARD
MAINTENANCE DISTRICT NO. 2

FISCAL YEAR 2003-04

Background Information

On April 16, 2002, by Resolution No. 02-043, the City Council approved the Final Map of Tract 7317 for a 114 lot residential subdivision, with 109 single-family homes, located on the northerly side of Eden Shores Boulevard and westerly of the Union Pacific Railroad.

On November 26, 2002, by Resolution No. 02-171, the City Council approved the Final Map of Tract 7361 for a 120 lot residential subdivision, with 107 single-family homes, located on the southerly side of Eden Shores Boulevard and westerly of the Union Pacific Railroad.

The Final Map for Tract 7360, for a 318 lot residential subdivision, with 309 single-family homes, will be the third phased final map for the Vesting Tentative Map 7065, approved by the City Council on September 25, 2001, by Resolution No. 01-140, for a subdivision located on the southwest side of Eden Shores Drive and westerly of the Union Pacific Railroad. The additional lots in each subdivision, 27 total, will be landscaped areas, parks, wetlands or buffer areas.

Conditions of approval for Tracts No. 7317, 7360 and 7361, included provisions for construction of a water buffer channel and storm-water pretreatment pond, masonry walls, anti-predator fences, and landscaping within the proposed development area. Maintenance District No. 2 will provide a funding source to operate and maintain these improvements, including the furnishing of water and electrical energy along with debris removal, weeding, trimming and pest control spraying.

Proposition 218 Compliance

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act," which added Articles XIIC and XIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for the formation and administration of assessment districts.

These new procedures stipulate that all property owners must be provided an opportunity to vote on the proposed formation of the assessment district and assessment of the levy. Each property owner will be mailed a notice and ballot. Property owners will be given approximately 45 days to vote and return their ballots to the City Clerk. A Public Hearing will be conducted on June 24, 2003 to give all of the affected property owners the ability to speak either in favor or against the proposed assessment district. At the conclusion of the Public Hearing the ballots will be tabulated and the results reported to the City Council. If there is a majority protest to forming the maintenance district, weighed by assessment obligation, then the City Council may not form the assessment district.

If the vote to establish the district is favorable, then the ballots for the levy of assessments will be tabulated and the results reported to the City Council. If there is a majority protest to levy of assessments, weighed by assessment obligation, then the City Council may not adopt a resolution confirming the levy of assessments. If the levy is approved, then the City Council may adopt a resolution confirming the levy of assessments as originally proposed or as modified. Following the adoption of this resolution, the final Assessor's Roll will be prepared and filed with the County Auditor's office to be included on the FY 2003-04 tax roll.

Current Annual Administration

The annual Engineer's Report includes: (1) a description of the improvements to be operated, maintained and serviced, (2) an estimated budget, and (3) a listing of the proposed collection rate to be levied upon each assessable lot or parcel.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this report.

OF CHAPTER 26 OF PART 3 OF DIVISION 7 OF THE STREETS AND HIGHWAYS
CODE OF THE STATE OF CALIFORNIA**

**CITY OF HAYWARD
MAINTENANCE DISTRICT NO. 2**

FISCAL YEAR 2003-04

Pursuant to Part 3, Division 7 of the Streets and Highways Code of the State of California and the Chapter 10, Article 10 of the Hayward Municipal Code, and in accordance with the Resolution of Intention, being Resolution No. 03-054, Preliminarily Approving the Engineer's Report, on April 15, 2003, by the City Council of the City of Hayward, County of Alameda, State of California, in connection with the proceedings for:

**CITY OF HAYWARD
MAINTENANCE DISTRICT No. 2**

Hereinafter referred to as the "District", I, Andrew S. Gaber, the duly appointed ENGINEER OF WORK, submit herewith the "Report" consisting of five (5) parts as follows:

PART A: PLANS AND SPECIFICATIONS

This part describes the improvements in the District. Plans and specifications for the improvements are as set forth on the lists thereof, attached hereto, and are on file in the Office of the City Clerk of the City of Hayward, and are incorporated herein by reference.

PART B: ESTIMATE OF COST

This part contains an estimate of the cost of the proposed improvements, including incidental costs and expenses in connection therewith, as set forth on the lists thereof, attached hereto, and are on file in the Office of the City Clerk of the City of Hayward.

PART C: MAINTENANCE ASSESSMENT DISTRICT DIAGRAM

This part incorporates, by reference, a Diagram of the Maintenance Assessment District showing the exterior boundaries of the Maintenance Assessment District, the boundaries of any zones within the Maintenance Assessment District, and the lines and dimensions of each lot or parcel of land within the Maintenance Assessment District.

PART D: METHOD OF APPORTIONMENT OF ASSESSMENT

This part describes the method of apportionment of assessments based upon the parcel classification of land within the Assessment District, and in proportion to the estimated benefits to be received.

PART E: PROPERTY OWNER LIST & ASSESSMENT ROLL

This part contains an assessment of the estimated cost of the improvements on each benefited lot or parcel of land within the Assessment District. The Assessment Roll is filed in the Office of the Hayward City Clerk.

PART A

PLANS AND SPECIFICATIONS

The facilities, which have been constructed within the City of Hayward's Maintenance District No. 2 boundaries, and those which may be subsequently constructed, will be operated, maintained and serviced and are generally described as follows:

DESCRIPTION OF IMPROVEMENTS

CITY OF HAYWARD
MAINTENANCE DISTRICT No. 2

FISCAL YEAR 2003-04

The following improvements are proposed to be operated, maintained and serviced in Maintenance District No. 2 for Fiscal Year 2003-04:

- *Water Buffer Channel;*
- *Storm-water Pre-Treatment Pond;*
- *Masonry Walls;*
- *Anti-predator Fences; and*
- *Miscellaneous Landscaping*

The operation, maintenance and servicing of these improvements include, but are not limited to: personnel; water, for irrigation and buffer replenishment; electrical energy; materials, including diesel fuel and oil, debris removal, weeding, trimming, pest control spraying, etc.

PART B

ESTIMATE OF COST

Chapter 10, Article 10 of the Hayward Municipal Code and as supplemented by the provisions of Chapter 26 of Part 3 of Division 7 of the Streets and Highways Code of the State of California provides that the total cost of operation, maintenance and servicing of the water buffer channel, water treatment pond, masonry walls, anti-predator fences and landscaping can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees and all other costs associated with these improvements can also be included.

The base assessment rate will be increased annually based upon the change in the Consumer Price Index. Future increases in the collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218. The base assessment rate has been set at \$655.00.

The costs for Fiscal Year 2003-04 are summarized on the following page. These cost estimates have been provided by the City of Hayward.

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

GENERAL

Chapter 10, Article 10 of the Hayward Municipal Code and as supplemented by the provisions of Chapter 26 of Part 3 of Division 7 of the Streets and Highways Code of the State of California permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the operation, maintenance and servicing of water buffer channels, water treatment ponds, masonry walls, predator fences and landscaping.

Proposition 218 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. In addition, Article XIII D, Section 4(a) of the California Constitution limits the amount of any assessment to the proportional special benefit conferred on the property.

Because assessments are levied on the basis of benefit, they are not considered a tax, and, therefore, are not governed by Article XIII A of the California Constitution.

Article XIII D provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways.

The properties benefiting from the operation, maintenance and servicing of water buffer channels, water treatment ponds, masonry walls, predator fences and landscaping consist of the 525 single-family residential lots located within Tracts No. 7317, 7360 and 7361.

Each of the 525 single-family residential lots receive a special benefit in that they are able to be developed because protection to the adjacent open space has been provided through the construction of these improvements. The special benefit derived by the individual parcels is indistinguishable between parcels. Therefore, all residential parcels derive the same benefit and the corresponding method of assessment for residential land uses is based on a per parcel basis.

The projected FY 2003-04 operation and maintenance cost, including incidental costs, is \$81,375.00. Since the amount needed to operate and maintain facilities in this District is below the annual assessment, the following amount should be collected:

\$155.00 per parcel.

PART E

PROPERTY OWNER LIST & ASSESSMENT ROLL

A list of names and addresses of the owners of all parcels within the City of Hayward's Maintenance District No. 2 is shown on the last equalized Property Tax Roll of the Assessor of the County of Alameda, which is hereby made a part of this report. This list is keyed to the Assessor's Parcel Numbers as shown on the Assessment Roll on file in the Office of the Hayward City Clerk.

The proposed collection rate and the amount for FY 2003-04 apportioned to each lot or parcel, as shown on the latest roll at the Assessor's Office, are on file in the Office of the City Clerk. The description of each lot or parcel is part of the records of the Assessor of the County of Alameda and these records are, by reference, made a part of this report.

The total amount proposed to be collected for FY 2003-04 is \$81,375.00.

The Assessment Roll for FY 2003-04 is included on the following page of this Report and is on file in the Office of the Hayward City Clerk.

RESOLUTION NO. 03-

Introduced by Council Member _____

mdl
6/19/03

RESOLUTION INITIATING AND APPROVING FORMATION
OF MAINTENANCE DISTRICT NO. 2, EDEN SHORES
BUFFER ZONE AND PRE-TREATMENT POND (MD No.2),
AND APPROVING THE ENGINEER'S REPORT,
CONFIRMING THE ASSESSMENT DIAGRAM AND
ASSESSMENT, AND LEVY AND COLLECTION OF
ASSESSMENT FOR THE 2003-04 FISCAL YEAR

WHEREAS, by Resolution No.03-054 adopted April 15, 2003, the City Council preliminarily approved the Engineer's Report for Maintenance District No. 2 (the "District"), declared its intention to form the District and to levy assessments for fiscal year 2003-2004, and set June 10, 2003, at the hour of 8:00 p.m. in the City Council's Chambers, 777 B Street, 2nd Floor, Hayward, California, as the time and place for the public hearing on the question of the formation and levy of the proposed assessments for the District in accordance with the provisions of section 10-10.25 of the Hayward Municipal Code; and

WHEREAS, notice of the proposed formation and assessments and ballots were mailed to each property owner or record owner of each parcel in the District, indicating that a public hearing, including a ballot proceeding pursuant to the provisions of Article XIID of the California Constitution, was scheduled at the appointed time and place of said hearing; and

WHEREAS, the meeting on June 10, 2003, was continued to June 24, 2003, said hearing was duly and regularly held, and all interested persons desiring to be heard were given opportunity to be heard, and all matters and things pertaining to said formation and levy were fully heard and considered by this City Council, and all oral statement and all written protests or communications were duly heard, and at the appointed time and place, the City Clerk tabulated the ballots and determined that was no majority protest to either the formation of the District or the levy of the proposed assessment; and

WHEREAS, the City Council confirmed the diagram and approved the Engineer's Report as filed, and ordered the formation of Maintenance District No.2 and the levy of assessments in the amount of \$655.00 per parcel.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Hayward, as follows:

1. At the closing of the public hearing, the property owners owning more than 50 percent of the area of chargeable lands within the proposed maintenance district had not filed written protests against the formation of the District or the proposed levy of assessment, and the City Council hereby orders the formation of Maintenance District No. 2;
2. The public interest, convenience, and necessity require that the District be formed and the levy be assessed;
3. The properties included in the District and benefitted by the improvements to be assessed to reimburse the costs and expenses thereof, and the exterior boundaries thereof, are shown on the maintenance district diagram included in the engineer's report attached hereto as Exhibit "A";
4. Said engineer's report as a whole and each part thereof, to wit:
 - (a) the engineer's estimate of the itemized and total costs and expenses of the improvements and of the incidental expenses in connection therewith and the method of cost allocation and schedule of assessments;
 - (b) assessment roll, identifying the property within the district and setting the base monetary obligation of each property;
 - (c) the maintenance district diagram;
 - (d) the map of the maintenance district showing the boundaries and the respective lots within the district;

are finally approved and confirmed and incorporated herein.

5. Adoption of the engineer's report as a whole, estimate of the costs and expenses, the diagram, the assessment and the collection of fees, as contained in said report, as hereinabove determined and ordered, is intended to and shall refer and apply to said report, or any portion thereof, as amended, modified, or revised or corrected by, or pursuant to and in accordance with, any resolution or order, if any, heretofore duly adopted by or made by this City Council.
6. The assessment in the amount of \$655.00 to pay the costs and expenses of the maintenance of the improvements is hereby levied and is adequate to cover the assessments for the 2003-04 fiscal year, and the City of Hayward Director of Finance is hereby directed to expend said money for the maintenance of the improvements set forth in Resolution No. 03-054 and described in the

engineer's report, and it is hereby determined to order the collection of \$155.00 per lot.

7. Based on the oral and documentary evidence offered and received, including the engineer's report, this City Council expressly finds and determines:
 - (a) that each of the lots in the district will be specially benefitted by the improvements at least in the amount, if not more than the amount, of the assessment apportioned against the lot; and
 - (b) that there is substantial evidence to support this finding and determination as to special benefit;
 - (c) any public property owned by any public agency and in use in the performance of a public function with the district shall not be assessed.
8. Immediately upon the adoption of this resolution, but in no event later than the third Monday in August following such adoption, the City Clerk shall file a certified copy of this resolution, the diagram, and the assessment with the Auditor of the County of Alameda. Upon such filing, the County Auditor shall enter on the county assessment roll opposite each lot or parcel of land the amount of assessment thereupon as shown in the assessment. The assessments shall be collected at the same time and in the same manner as county taxes are collected, and all laws providing for the collection and enforcement of county taxes shall apply to the collection and enforcement of the assessments. After collection by the County of Alameda, the net amount of the assessments, after deduction of any compensation due the county of collection, shall be paid to the Director of Finance of the City of Hayward.
9. Upon receipt of monies representing assessments collected by the county, the Director of Finance of the City of Hayward shall deposit the monies in the City treasury to the credit of an improvement fund, under the distinctive designation of said Maintenance District No.2 - Eden Shores Buffer Zone and Pre-Treatment. Monies in said improvement fund shall be expended only for said maintenance of the improvements set forth in the engineer's report, referenced in Resolution No. 03-054.
